Subject : Times Higher Education (THE) and BMI

Dear Sir/Madam,

On behalf of the Ministry of Education, Culture, Research and Technology of the Republik of Indonesia, we are pleased to invite all international Higher Education institutions and National Education Agencies to travel to Indonesia and participate in a series of events which organised by Times Higher Education (THE) and BMI. These events will take place in Indonesia in the first semester and second semester of 2023.

Education and internationalisation are priorities of the Government of Indonesia and these events offer a perfect opportunity to connect with Indonesian students and parents, high school counsellors and senior officials of Indonesian universities involved in international activities and internationalisation.

The complete schedule of supported events is as follows:

March 2023 - THE Indonesia Education Fair - Jakarta

March 2023 - Jakarta High School Visits

October 2023 - THE Indonesia Education Fair - Jakarta

October 2023 - Jakarta High School Visits

November 2023 - Indonesia Higher Education Workshop - Jakarta

November 2023 - Indonesia International Schools Forum & Workshop - Jakarta

THE Indonesia Education fairs provide international higher education institutions an opportunity to meet Indonesian students (and their parents) who are planning to study overseas. Whilst Indonesia International Schools Forum & Workshop will enable international higher education institutions to meet high school counsellors from leading high schools from across Indonesia who will travel and be hosted in Jakarta for the event.

Indonesia Higher Education Workshop will allow international higher education institutions to meet directors and senior staff of international offices of Indonesian universities to discuss areas of mutual interest, exchange, TNE, student mobility and internationalisation. All meetings will be prescheduled prior to the event.

Each of the above events will be supported by the MoECRT who will also be present at the events and give seminars to parents and students, as well as special seminars for all participating international institutions. In addition, the Minister or a senior official of the Ministry of Education, Culture, Research, and Technology will open Indonesia Education Fair and Indonesia International Schools Forum & Workshop.

Your participation in any or all of the above events may be confirmed by contacting THE/BMI directly.

Best wishes,  
For Secretary General

Anang Ristanto
