We are excited to announce that BMI and Times Higher Education, in partnership with [NAFSA](#) and [Common Purpose](#), have launched The International Education Professional Certificate (IEPC). This professional development training program is tailored specifically for international education (IE) professionals worldwide. We would welcome a conversation to discuss how this program may support the development of skills within your country's education sector. For more information, please visit the [NAFSA website](#) or contact us directly.
